Note:

Each new student must have an apron and a ball cap. Students from 1st semester attending the second semester already have a chef hat and apron. They are required to bring their apron and chef hat each class. Girls should supply a rubber band to hold hair back from her face. They must wear long slacks, socks and hard covered or tennis shoes. Girls cannot wear a longer dress or skirt. Shorts are not allowed in the kitchen. This is a safety issue.

I pledge that the class will be great fun and a memorable learning experience. There will be a variety of party themes and family meal planning in each class.

Also note that the rent at Easter Seals is 125.00 for each class session. I donate all my spices and any little items like Worcestershire sauce and condiments. I donate all the decorations and the chef hats and chef aprons for the kids. In addition I pay the fee for a million dollar insurance policy. It is very important to teach the kids this great life skill. Your children are our future and we must unite to direct them for a bright future.

They must complete all six weeks in order to receive a cook book, badge and certificate. If a student gets sick and misses class, I will help them make up one class only.

Thank you for giving your children this great opportunity and a chance to share my time and talents with them each week. I could not succeed without your support and the diligent help of my volunteer team leaders.

Blessings,
Pat Nekola
