

**“Yap and Hap
at the Family Apple Orchard”
By Pat Nekola**

Yap and Hap at the Family Apple Orchard is designed for boys and girls ages 5–10. It is entertaining, fun and educational. Students will learn about the apple orchard production, such as making caramel apples and apple cider. They will learn about being responsible while helping with chores. They make friends while learning about the varieties of apples, how trees grow and also about harvest time. There are many simple apple recipes and information on measurements and baking techniques. All 48 pages are filled with color. Students learn how to decorate a buffet dessert table.

Pat Nekola (Mrs. Kola) taught nursery school and also ran a catering service for 18 years. She holds a B.S. and M.A. degree and as well a degree in Family and Consumer Education.

Pat resides in Waukesha, Wisconsin with her husband Steve Nekola
